

# BIG SQUARE

PROVEN SOLUTIONS-PROVEN RESULTS

92% PARTNER ADOPTION RATE

• BUSINESS INTELLIGENCE • PROFITABILITY • REPORTING • MATTER MANAGEMENT •

BigSquare delivers true self-service business intelligence (BI) to law firms, surfacing key firm metrics by role in an intuitive easy-to-use enterprise application interface. Easy enough for attorneys, powerful enough for firm administration

## HOW CAN WE HELP YOUR FIRM STREAMLINE ITS BUSINESS INTELLIGENCE AND FINANCIAL REPORTING OBJECTIVES?

### ATTORNEY ANALYTICS

A 360° view into the health of your firm, while exposing potential opportunities within segments of your practice.

### POWERCUBE REPORTING

Making data accessible like never before by delivering top-grade reporting information to various users within your organization in a seamless, easy-to-use spreadsheet interface.

### MATTER MANAGEMENT

Allow your professionals the ability to quickly manage matters as well as perform what/if scenario modeling.

### PROFITABILITY

Provide your firm stakeholders with an easy to use interface, surfacing deep insights into profitability metrics.
