CERTIFICATE IN PHOTOGRAPHY

PASSION TO PROFESSION

ADMI's Photography programme prepares students for the creative, conceptual and technical demands of a career as a photographer. Using state-of-the-art cameras, students learn to light, shoot, edit and print photographs. The course also exposes students to various genres in photography and teaches students to tell stories using photographs.

EARN A CREDENTIAL RECOGNIZED BY EMPLOYERS WORLDWIDE

ADMI students gain a competitive edge over their peers by earning an Adobe Certified Associate (ACA) certification in:

- **Visual Communications using Adobe Photoshop®**

ADMI instructors prepare students to successfully pass these exams through a project-based curriculum that leverages Adobe Education learning resources, practice tests, and real-world applications.
