INTERNATIONAL STUDENT VISAS

It is the student's responsibility to obtain and purchase the correct international student visa. Further information and advice can be found in our Applying for an international Student Visa Guide, available at www.admi.ac.ke.

ADMI is legally required to inform the Directorate of Immigration and Registration of Persons Office when a student discontinues his/her studies at ADMI, regarding of the reason. As a result, if a student is dropped from their programme due to poor academic performance, poor attendance or indiscipline, ADMI will immediately inform the Immigration Office.

PAYMENT & REFUND POLICIES

Payment for International Students: In order to secure your place at ADMI and to receive your Admission letter, which enables you to apply for your visa, you will need to pay the minimum deposit amount of Kshs. 74,100 for Diploma programmes and Kshs. 50,300 for Certificate programmes by January 5, 2018. This amount includes the 50% payment plus the application fees and insurance costs.

Payment Required to Enroll: Once you are accepted at ADMI, your place will only be confirmed after you pay the required medical insurance and pay a minimum of 50% of the term fees. All programmes are capped at 24 students except for Music Production and Sound Engineering, which are capped at 18 and 9 respectively. Accepted students are encouraged to enroll as early as possible to secure a place in their desired programme.

Late Fee Payments: A late payment fee of Kshs. 2,400 applies to all payments made after January 5, 2018. This also applies for payments that haven't met the 50% threshold. The last day for late registration is January 22, 2018. Students will not be admitted after January 22, 2018.

Refunds: All payments are non-refundable and non-transferable to other programmes. ADMI will only refund students if a programme is cancelled, and students and parents will be notified of any cancellations by January 5, 2018. ADMI reserves the right to cancel a programme for operational reasons.

Late Payments: Students will not be allowed to attend classes until payment has been made. Non-attendance negatively impacts academic performance. Students who miss 3 or more classes will be required to retake the unit. Therefore, ADMI strongly encourages students and their families to make the payments on time.

Outstanding Balances: If a student completes a term with an outstanding fee balance, he/she cannot enroll in another term until that outstanding balance has been paid.

Deferring a Term: ADMI encourages students to defer to the next term if they and their families are not confident they are able to pay the required fees by the above deadlines.

Enrolling in Additional Units: If a student wishes to pursue an interest outside his/her programme, he/she can enroll in an additional unit. Students are required to inform the administration in writing by January 5, 2018, and pay an additional Kshs. 24,000 per additional unit by January 13, 2018.

Enrolling in Private Tutoring: If a student is struggling in a unit and requires additional one-on-one support, he/she can enroll in private tutoring. The student is required to inform the administration in writing and receive written approval from the administration. The price for tutoring is an additional Kshs. 1,800 per hour and payment for private tutoring is required upfront.

Resit Policy & Payments: If a student is unable to sit for final exams due to special circumstances, he/she must inform the administration in writing before April 1, 2018. The student is required to pay a resit

fee of Kshs. 6,000 per exam. Resit payment for January - April term must be made before May 15, 2018 and resits must be completed by May 30, 2018.

Retake Policy and Payments: As a premier institution, ADMI upholds high academic standards. If a student fails a unit, he/she must seek permission to retake a unit. The administration reserves the right to approve or decline requests on a case by case basis. If approval is granted, the student must pay Kshs. 30,000 for retaking a unit. It should be noted that if a student fails more than 1 unit, the administration reserves the right to dismiss the student from continuing his/her studies at ADMI.

Fee Increase: Please be aware that schools fees are liable to increase between 10 and 20% every January to account for inflation and other considerations.

Due to the 2017 election, the Board has postponed the fee increase to the May 2018 term.

Parents and students should plan for fees to increase by **8% for new students** and **3.5% for continuing students**. This increase will apply to all programmes for the May 2018 term.

Graduation: Students are not allowed to graduate if they have not completed and passed all of the required units for their programme.

SCHOOL-BASED ACCIDENT EMERGENCY INSURANCE +

Overview: The school-based emergency insurance is mandatory for all students, even if the student is covered by another insurance provider. Insurance is provided by AAR Insurance, and covers immediate medical attention on campus, including the following: Ground and air ambulance, on-site treatment and stabilization, transfer to hospital, and outpatient care with an annual limit of Kshs. 100,000. This insurance is only for school-based emergencies.

Continuing Students: Students enrolled in four-term diploma programmes are required to pay an additional Kshs. 1,500 in their fourth term. Students enrolled in a diploma programme requiring five terms are required to pay an additional Kshs. 2,500. This means that the total amount for school-based emergency insurance is Kshs. 4,000 for a four term diploma programme and Kshs. 5,000 for a five-term diploma programme.
