

Eagle fully respects your right to privacy. On this page you will find details of our privacy practices in connection with collection of data and what we do to maintain your right to privacy.

Personal data – any information relating to an identified or identifiable natural person ('data subject'); an identifiable natural person is one who can be identified, directly or indirectly, in particular by reference to an identifier such as a name, an identification number, location data, an online identifier or to one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity of that natural person.

Collection of personal data

Eagle Genomics processes personal data for several reasons, and the means of collection, lawful basis of processing, use, disclosure, and retention periods for each purpose may differ.

When collecting and using personal data, our policy is to be transparent about why and how we process it. The types of personal data we process are shown below:

- Contact information such as name, address, phone number, email address, title, place of work, etc.
- Information that you provide when contacting us via online contact forms, emails or phone
- Profile information in case you create a profile or account with us, including username and password
- User information such as technical data regarding usage and viewing, including IP addresses when you visit our websites or applications, including on third party sites
- Transaction information, including credit card information when you purchase goods or services from us
- Application information, including your CV, in case you apply for a job with Eagle Genomics
- Information you directly provide when meeting us at events, at trade shows or at our offices

Use of personal data collected

Any information, which you provide at this event, is not made available to any third parties. We may process your personal information for our legitimate business interests. (e.g. direct marketing, modifying or improving our services, determining the effectiveness of promotional campaigns and advertising, data analytics & enhancement).

You have the right to object to this processing at any time. If you would like any further information about our personal data policy, please contact security@eaglegenomics.com.
