'Growth tools for Great Agents'

'How can we help you?'

Customer Experience

55% of email enquiries are made in evenings and weekends, we can help you respond to these enquiries and impress buyers and tenants with your experience, knowledge and brand.

Business Growth

We will help you get more vendor and landlord leads & we will help you to convert them to new business.

Extra Revenue

Moving house is stressful for tenants and buyers, you can help make it easier for them by referring useful services, and get paid for each referral that converts!

'Customer Experience'

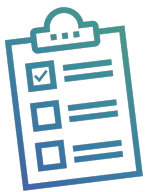

Are you ignoring your customers?

55% of email enquiries are made in evenings and weekends. Most agents don't respond to these enquiries until the next working day, and they often are only able to leave the customers answerphone messages.

LeadPro engages your customers.

While you are out of the office LeadPro replies to buyer and tenant enquiries with fully branded emails and text messages. Instantly impressing buyers and tenants with your experience, knowledge and brand.

Make your customers happy!

When customers enquire, they want more than an auto reply. They want to progress their enquiry. LeadPro lets them qualify their enquiry by answering a custom questionnaire, which also lets you know the best time to phone them.

'Business Growth'

Find new Vendors.

65% of buyers have to sell their home before they can buy. LeadPro asks every enquirer if they want your help in selling their home.

Meet new Landlords.

1/3 of moving tenants can introduce you to their landlord. This introduction comes at the opportune time, when the property is about to be empty, and the landlord can benefit from your help.

Impress your new clients.

LeadPro can text and email vendors and landlords with instant valuations of their property & with market rental prices, engaging clients ahead of the competition and prompting them to schedule an advice meeting with you!

'Extra Revenue'

Moving house can be stressful.

You can make it easier for your customers by recommending useful services, like mortgage brokers and broadband providers.

Ask if you can help?

LeadPro asks customers if they want help with: their mortgage, internet, utilities, insurance, conveyancing and credit score. If they opt in for help their details are referred to a useful supplier.

Get paid for referrals!

Without adding to your workload, LeadPro instantly sends referrals to your preferred supplier. Or you can use our affiliate network of approved suppliers. We track referrals, and make sure you get paid.
