

INVACARE® ETUDE™ HC BED  
ACCESSORIES

*Yes, you can.®*

**Supporting your needs.** The Etude HC bed features a wide range of options and accessories, providing you the opportunity to customize the positioning, transfer assistance and design of your bed.

**1. Verso Side Support Rails 15" x 59"**

Model # EVSR-1823

The Verso Side Support Rail is a ¾ length rail that takes the ETUDE HC Bed to a new level of patient care. The Verso Side Support Rails are designed to provide a unique collapsible, folding solution, accommodating the needs of those at a higher risk of falls or requiring enhanced care.

**2. Lifting Support Trapeze Kit**

Model # ELSP-2093

The Lifting Support Trapeze Kit provides safe and convenient overhead repositioning assistance while in bed. This kit is exclusive to the ETUDE HC Bed and simply and securely mounts into the receivers of the head section. It can be mounted completely tool-free on either the left or right hand side.

**3. Side Support Rail 16" x 12" & 16" x 16"**

Model # ESR-2477 & ESR 2478

The 16" x 12" and 16" x 16" Side Support Rails deliver safe and simple transfers. These ¼ and ½ rail designs provide accommodations for safe positioning and transfer support, while user safety by meeting global bed standard entrapment guidelines\*.

**4. Side Swivel Transfer Supports**

ESSHL- 2479 – LEFT / ESSHR-2480 – RIGHT

The ETUDE HC Bed Side Swivel Transfer Supports are a unique solution for users in search of a low profile and discreet transfer aid. The swivel handles remain below the surface of the mattress and are easily swung out and locked into position to provide necessary transfer support on the right or left hand side.

**5. Beech Accent Panels**

Model # ESP-2716

The attractive Beech Accent Panels fit easily over the ETUDE HC Bed side frame. The ESP-2716 adds a designer expression providing subtle contrasts enhancing the ETUDE HC Bed's modern style, delivering a versatile and appealing addition to any décor. This option cannot be used in conjunction with the EVSR-1823 Verso Side Support Rail.

**6. Transportation and Storage Adaptor Kit**

Model # ETA-3779

Storage and delivery management of the ETUDE HC Bed is made simple, safe and efficient with the use of the Transportation and Storage Adaptor Kit. The ETA-3779 allows the ETUDE HC Bed to be stored together in one compact mobile unit using the bed's existing casters, enhancing the ease of storage and transport and vastly reducing the opportunity for component loss and damages.

**7. Deck Extension Kit**

Model # EEK-3993 – EEK-3994

The Deck Extension Kit adds an additional 4" or 8" of length to the ETUDE HC Bed to accommodate applications where a deck length of greater than 80" is required.

**8. Emergency Battery back-up kit**

Model # EBBK-4186

Add an additional level of safety and comfort with the EBBK-4186. The 12V 1.3 AH rechargeable battery is designed to provide a temporary power supply enabling the user or caregiver to safely re-position the bed in emergency situations where 110V AC becomes unavailable. Up to four cycles can be achieved with a full charge.
