<td><strong>Think mobile first</strong>&lt;br&gt;Almost two-thirds of all CrowdRise traffic is on mobile. That means more than ever you have to make sure your emails, donation pages (on your fundraising platform), donation receipts, tickets, and registration for events are designed to look seamless on mobile devices.</td>

Evaluate your data collection efforts
Look at your fundraising tools and make sure you are getting the right data, that you own the data, and that there’s no red tape preventing you from taking that data with you if you want to.

Know how the Facebook algorithm changes affect your efforts
If you were relying on Facebook to push out your messaging, which is now even more limited, you’ll need a plan to replace that awareness.

Use your nonprofit status to your advantage
There are tons of discounts out there for nonprofits. Make sure you’re getting the discounts you deserve. Here are 20 of our favorites:

Don’t forget to have a little fun
Remember, you’re a decent human and you deserve to have a little fun. Celebrate your wins while you’re making the world a better place.

Use the nonprofit community for help
Share ideas and best practices with each other. We’re all on the same team and together, we can accomplish more.
