# New Jersey Enhanced VINE Training

The New Jersey Victim Information & Notification Everyday (VINE) service has gone through exciting enhancements, including changes VINELink, the public web service for VINE, and VINEWatch, the administrative portal for VINE.

## **LOCATION**

### **Hamilton**

August 22, 2019

New Jersey State  
Police Forensic Science  
Technology Center

1200 Negrón Drive  
Hamilton, NJ 08691

10:30 am - 3:00 pm

In partnership with the New Jersey Department of Law & Public Safety's Division of Criminal Justice, join Appriss Safety to learn about Enhanced VINE's features, including changes to VINELink and VINEWatch.

VINELink is a valuable tool used to register victims for notification of changes in offender custody status, as well as to search for important service provider information. VINEWatch allows authorized users to search for and view offender details, as well as follow our critical override process during an agency outage.
