# Architecture Transition

Today, our website has two (2) parts

- **User**
  - Order Forms
  - User Dashboard
- **Admin**
  - Client Admins

Architecture changes will only affect the user side today!

# Multi-Page Application (old)

vs.

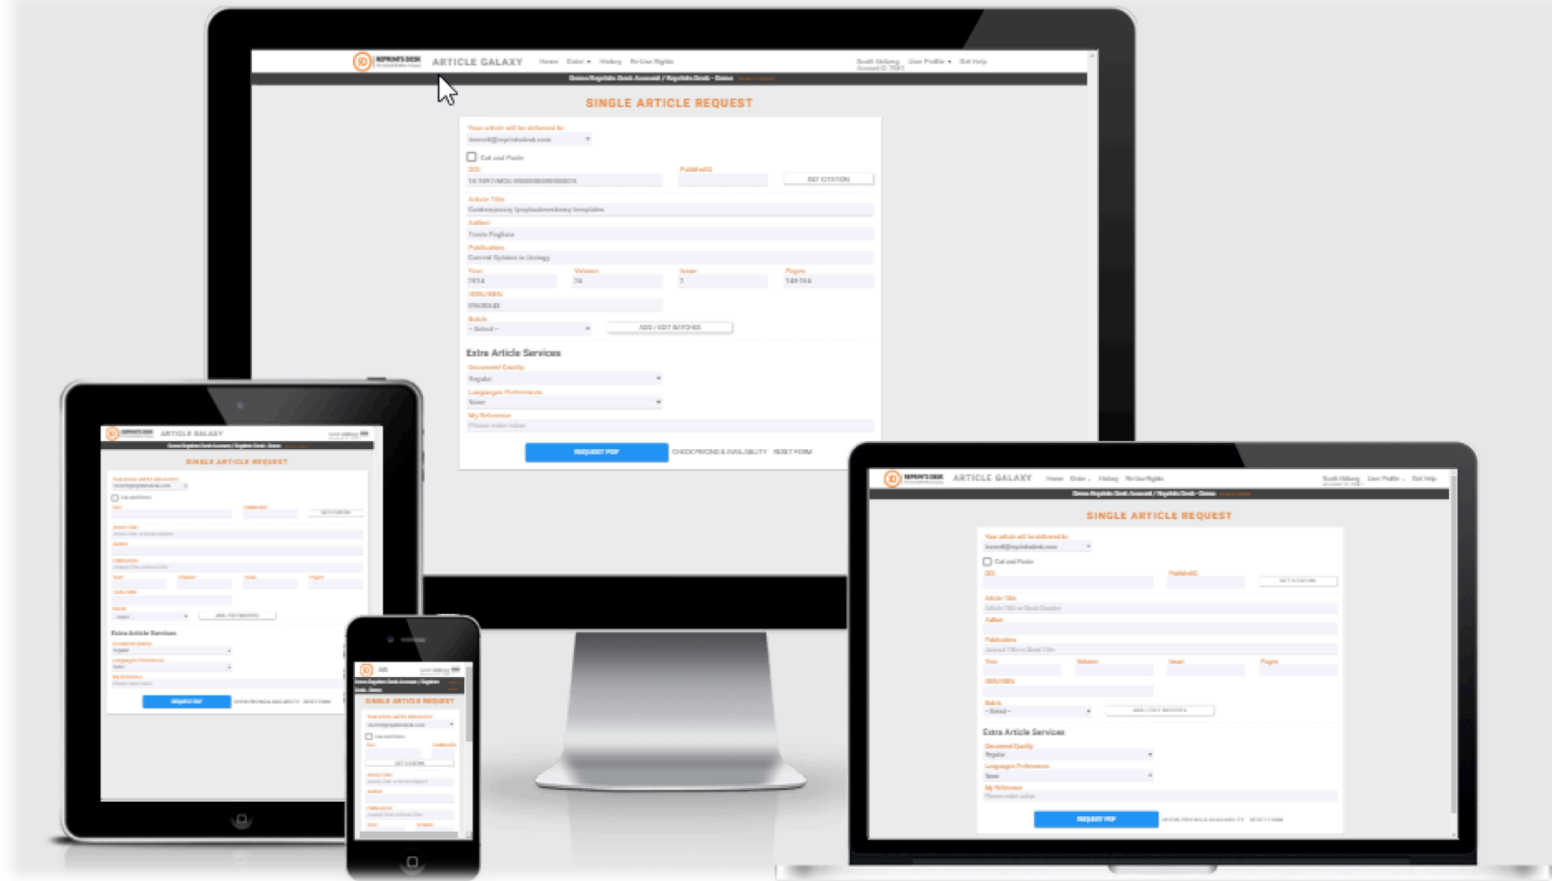

# Single Page Applications (new)

## SPA advantages over MPA:

- **Faster response times**
- **Improved user experience**
- **Faster release deployment**

# Responsive, Mobile-Friendly Design

# New Dashboard / Navigation

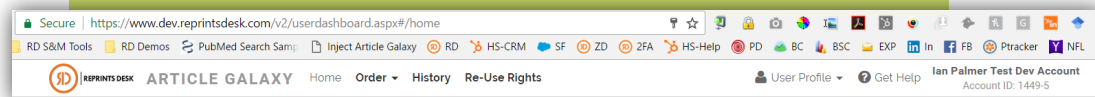

## Where are my buttons?

- » Buttons are converted into Links
- » Gadgets

## Friendly Navigation

- » Find most frequently used links on the top
- » Grouped by similar functions
- » User Profile
- » Username and Account ID
- » Get Help

# Form Enhancements
