Article Galaxy Add-Ons:
TOOLS TO SIMPLIFY YOUR RESEARCH

Featured Add-On: Article Galaxy™ Library Portal.
Your One-Stop Access To All Your Library Resources.

The **Library Portal** is an optional paid **Article Galaxy** add-on and provides a unified point of access and management for licensed journals, databases, publisher pay-per-view token content, enterprise content, article order placement for non-licensed content, and much more.

Features Include:

o Easy search, browsing and A-Z list discovery for subscriptions.

o Full compatibility with mobile devices and API support.

o Multiple personalization options on both group and individual level.

o RSS alerting new table of contents & saved search alerts.

o Export options to reference manager tools like **Bibliogo®**.

The Perfect Research Companion:
