CUSTOM
LEARNING SOLUTIONS
 Your Course | Your Choice

"I am very pleased with every aspect of this project. Setting up our instance of Blackboard Learn to receive content was a breeze; the directions were very clear and easy to follow. After the content was uploaded into our site, every bit of it fell perfectly into place. Dan, our client solutions manager was very responsive and incredibly helpful. I did not feel like I was working with a large corporate entity or some support desk in an undisclosed location. I feel like we have a Jones & Bartlett Learning office just up the hall. This level of support is the gold standard in our industry and we appreciate that kind of service."

—**George Finkle**, Senior Instructional Applications Administrator, Henderson State University
