COURSE ORGANIZATION

PRE-TEST

This self-test is comprised of 10-15 questions that measure the learners baseline knowledge of the material found within the course.

LEARN

Consists of 7 **Learning Modules** that show how to recognize, prevent, and react to specific critical health topics.

PRACTICE

Includes 7 **Skill Drill Modules** that allow users to apply what they have learned and get feedback in a safe learning environment.

ASSESS

Utilizing a decision tree approach, 10 **Video Scenarios** challenge learners to respond accurately to the most common emergencies that Athletic Trainers may be confronted with in the field.

FINAL EXAM

This graded exam consists of 50 questions covering all learning modules. EBP CEUs are awarded to those who pass the exam.
