BRIDGE THE GAP BETWEEN STUDENT AND NURSING PROFESSIONAL

Transition to Nursing Practice: Strengthening KSAs for Career Success Online Course

Transition to Nursing Practice: Strengthening KSAs for Career Success is an evidence-based online course designed to address the practice gap observed by faculty and experienced by graduating nursing students. Extensively piloted and tested, this course seeks to further prepare students to confidently and competently transition into a role in clinical practice, enhancing their professional skills and employability. The course presents many key issues new nurses will encounter such as infection prevention, conflict management, transcultural healthcare, and pain management, just to name a few. Learn more about the course at go.jblearning.com/TTPCourse.

Request a course demonstration at go.jblearning.com/TtpDemo

Hospitals lose \$5.2 million to \$8.1 million due to RN turnover annually.¹

Challenge

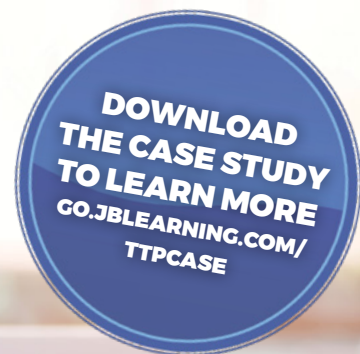

Adequately prepare nursing students for their first clinical role by providing the tools and resources needed to align expectations and realities of the nursing profession.

Solution

An online evidence-based course created by faculty experts based on extensive field study through a collaborative initiative with the state of Nevada.

Expected Course Outcomes

- Experience
- Increased Confidence and Competence
- Career Readiness
