

Environmental Policy statement

Cherwell Laboratories and its employees have a duty to act responsibly towards customers, staff, suppliers and the public with regard to the effect that business operations may have on the environment and will endeavour to achieve its responsibilities through the following objectives: -

- To adhere to any current legislation and comply with any planned legislation.
- Where possible, to purchase from suppliers who share concern for the environment and whenever possible to produce products from sustainable sources.
- To minimise waste from business operations and where possible to re-use or recycle.
- To endeavour to control the level of harmful emissions whenever practicable.
- To promote the use of energy efficient systems in business premises.
- To support organisations that promote environmental protection issues.
- To ensure that all our employees understand the high level of company commitment to environmental excellence.

Cherwell Laboratories will continue to monitor, evaluate and improve its performance whilst promoting environmental awareness to employees. Cherwell Laboratories welcomes suggestions from suppliers, customers and employees on ways that we can further improve the impact we have on the environment.
