

Section 1	Product Identification & Company Identification
1.1 Product Name	Redipor® Prepared Plated Media
1.2 Identified uses of Prepared Media	To determine and identify the microbiological purity or bioburden of an environment or sample.
1.3 Manufacturer and Supplier	Cherwell Laboratories Ltd 7 & 8 Launton Business Centre Murdock Road BICESTER OX26 4XB UK Tel: +44 (0) 1869 355500 Web: www.cherwell-labs.co.uk
Section 2	Hazards Identified
2.1 Classification of the Material	Under the CLP regulations (EC) No. 1272/2008 the mixture has no hazardous properties to man or the environment.
Section 3	Composition, Information on Ingredients
3.1 Hazardous Ingredients	This product does not contain any ingredients presenting a health hazard within the meaning of hazardous substances as defined in the CLP Regulation (EC) No. 1272/2008.
Section 4	First Aid Measures
4.1 Long-term Hazard	There is no long-term health hazard however should an operator come into contact with the material then the following measures should be taken:
4.2 Eye Contact Skin Contact Ingestion	Wash out eye with plenty of clean running water Gently wash skin with soap and water Always avoid hand to mouth contact. If ingested always seek medical advice, have the person involved drink 1-3 glasses of fresh water to dilute stomach contents
Section 5	Fire Fighting Measures
5.1 Product Name	None required as under expected conditions/use the products are non-combustible under the definition of combustibility.

Section 6	Accidental Release Measures
6.1 Personal Precautions	No specific measures necessary, however, avoid contact with eyes.
6.2 Spill	Remove excess waste with paper towel and dispose of as non-hazardous waste. Wash areas with water, remove with paper towel and dispose of as non-hazardous waste. Disinfect area with alcohol-based disinfectant.
Section 7	Handling & Storage
7.1 Handling	Avoid contact with eyes, skin & clothing.
7.2 Storage	Product should be stored at ambient room temperature not exceeding 25°C and away from direct sunlight or heat.
Section 8	Exposure Controls, Personal Protection
8.1 Protective Measures	Laboratory coat, safety glasses and disposable vinyl or nitrile gloves.
Section 9	Physical & Chemical Properties
9.1 Physical State	Solid plated agar gel.
9.2 Colour	Various colours according to the specific product.
Section 10	Stability & Reactivity
10.1 Stability	Stable under normal conditions.
10.2 Conditions to Avoid	Direct sunlight and significant fluctuations in temperature can influence the stability of the product.
Section 11	Toxicological Information
11.1 Acute Toxicity	Negligible according to the definition of toxicity. When used and handled in accordance with normal laboratory procedures, the product has no known harmful effects.
Section 12	Ecological Information
12.1 Ecotoxicity	Negligible according to the definition of ecotoxicity. When used and handled in accordance with normal laboratory procedures, the product has no known harmful effects.

Section 13	Disposal Considerations
13.1 Disposal	Uncontaminated plates can be disposed of as non-hazardous waste in accordance with local regulations. Contaminated / used plates must be treated as hazardous waste and should be incinerated or sterilised by autoclaving before final disposal in accordance with local applicable regulations.
Section 14	Transport Information
14.1 UN Number	Not classified
Section 15	Regulatory Information
15.1 Hazard Phrases	Not applicable
15.2 EC Classification	Not classified
15.3 Safety, Health and Environmental	This safety data sheet complies with the requirements of Regulation (EC) No. 1907/2006
Section 16	Other Information
SDS First Issued	1 st July 2019
SDS Revised	5 th July 2023
Notes	This data sheet is applicable to all types of Redipor Prepared Plated media supplied in petri dishes and contact plates.
