

## Section 1 Product Identification & Company Identification

**1.1 Product Name** **redipor** Prepared Plated Media

**1.2 Identified uses of Prepared Media**

To determine and identify the microbiological purity or bioburden of an environment or sample

**1.3 Manufacturer and supplier**

Cherwell Laboratories Ltd  
7 & 8 Launton Business Centre  
Murdock Road  
BICESTER  
OX26 4XB UK  
Tel: +44 (0) 1869 355500  
Web: [www.cherwell-labs.co.uk](http://www.cherwell-labs.co.uk)

## Section 2 Hazards identified

**2.1 Classification of the material**

Under the CLP regulations (EC) No. 1272/2008 the mixture has no hazardous properties to man or the environment.

## Section 3 Composition, Information on Ingredients

**3.1 Hazardous Ingredients**

This product does not contain any ingredients presenting a health hazard within the meaning of hazardous substances as defined in the CLP Regulation (EC) No. 1272/2008

## Section 4 First Aid Measures

**4.1** There is no long-term health hazard however should an operator come into contact with the material then the following measures should be taken

**4.2 Eye contact** Wash out eye with plenty of water

**Skin contact** Wash skin with soap and water

**Ingestion** Always avoid hand to mouth contact. If ingested always seek medical advice

## Section 5 Fire Fighting Measures

**5.1** None required as under expected conditions/use the products are non-combustible under the definition of combustibility.

## Section 6 Accidental Release Measures

**6.1 Personal Precautions** No specific measures necessary

**6.2 Spill** Remove excess waste with paper towel and dispose of as non-hazardous waste. Wash areas with water, remove with paper towel and dispose of as non-hazardous waste. Disinfect area with alcohol based disinfectant.

## Section 7 Handling & Storage

**7.1 Handling** Avoid contact with eyes, skin & clothing

**7.2 Storage** Product should be stored at ambient room temperature not exceeding 25°C and away from direct sunlight or heat

## Section 8 Exposure Controls, Personal Protection

**8.1 Protective Measures** Laboratory coat, safety glasses and disposable vinyl or nitrile gloves

## Section 9 Physical & Chemical Properties

**9.1 Physical State** Solid plated agar gel

**9.2 Colour** Various colours according to the specific product

## Section 10 Stability & Reactivity

**10.1 Stability** Stable under normal conditions

**10.2 Conditions to avoid** Direct sunlight and significant fluctuations in temperature

## Section 11 Toxicological Information

**11.1 Acute Toxicity** Negligible according to the definition of toxicity  
When used and handled in accordance with normal laboratory procedures, the product has no known harmful effects

## Section 12 Ecological Information

**12.1 Ecotoxicity** Negligible according to the definition of Ecotoxicity. When used and handled in accordance with normal laboratory procedures, the product has no known harmful effects

## Section 13 Disposal Considerations

**13.1 Disposal** Uncontaminated plates can be disposed of as non-hazardous waste in accordance with local regulations. Contaminated/used plates must be treated as hazardous waste and should be incinerated or sterilised by autoclaving before final disposal in accordance with local applicable regulations

## Section 14 Transport Information

**UN Number** Not classified

## Section 15 Regulatory Information

**Hazard Phrases** Not applicable

**EC Classification** Not classified

## Section 16 Other Information

**SDS First Issued** 1<sup>st</sup> July 2019

**SDS Last Revision** 1<sup>st</sup> July 2019

**Notes** This data sheet is applicable to all types of Redipor Prepared Plated media supplied in Petri dishes and Contact Plates
