Directions for printing on sticky notes:

- 1) Add the information you need to the templates.
- 2) Print each page of your templates.
- 3) Print out blank templates and place a sticky note inside each square.
- 4) Place the template page with the sticky notes into your printer. *(Be sure that the sticky part goes into your printer first to avoid paper jams.)*
- 5) Using the pages from step 2 as masters in the copy machine, print your selected resources.
