

Timeless Tales 2.0: NexLevel

March 2018 Release Updates – Level 3

Following January's Level 2 release, Istation is excited to now offer Level 3 of TT 2.0: NexLevel, featuring new characters, activities, and lessons that introduce new skills.

Skills Covered in Level 3

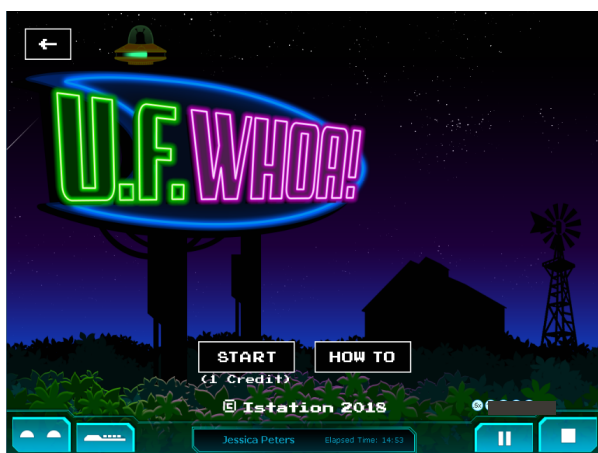

- ACERF acronym
 - argument
 - claim
 - evidence
 - reasoning
 - faulty reasoning
- features of informational texts
- features of argumentative texts
- tone and connotative meaning
- word building with affixes
- self-selected reading
- written response to reading

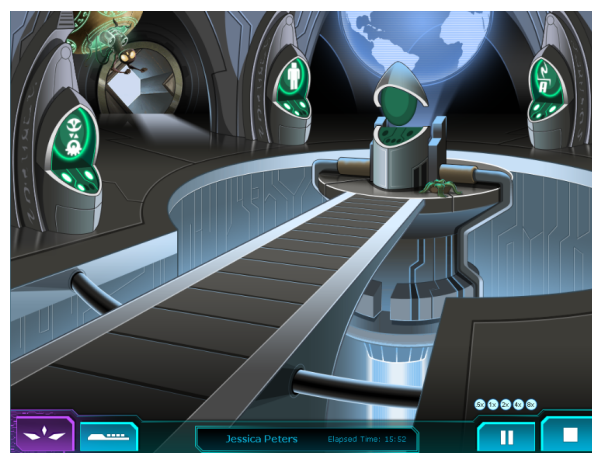

Student players return to the Hub to find yet another new kiosk, ACE Rocket Fuel, tended by a most unusual fellow. Who is this guy?

In Level 3, student players can explore the ACE Rocket Fuel sign for an entertaining breakdown of argumentative text.

In the new U.F.Whoa! game, students practice building vocabulary words using prefixes and suffixes.

The Level 3 Virtual World is not what it seems. Players will explore the base and analyze tone and connotative meaning.
