President's Message

Wasatch Peaks Credit Union would like to announce that its board of directors has unanimously chosen Jeff Shaw as the credit union's next chief executive officer. Shaw, who previously served as Wasatch Peaks' executive vice president and chief financial officer, succeeded Blake Burrell on January 1.

Jeff has 20 years of executive management experience in the credit union industry, beginning his career as the CFO of Tooele Federal Credit Union in February of 2000. A Special Warm the Soles Thank You!

Thank you to all our members who contributed to Warm the Soles! We are incredibly grateful to our community and members for enabling us to have our best year of Warm the Soles yet. We are also grateful to have employees who are willing to volunteer their time to make this experience special for the kids. Our employees were able to deliver shoes to Municipal, Washington Terrace, Burch Creek, Roosevelt, North Park, James Madison, T.O. Smith, Heritage, Odyssey, and New Bridge Elementary Schools.

Our goal this year was to raise $15,500. Not only were we able to exceed our goal, but we were able to double it! This year, our total donations raised were $33,110! This means that we can expand our program next year to help even more of our local children to get the shoes they need. Thank you again to everyone who helped to make this year's Warm the Soles such a success.

Blake Burrell's Retirement

We are grateful to Blake Burrell for his wonderful career with Wasatch Peaks Credit Union, spanning over 31 years. Burrell's favorite part of working at Wasatch Peaks was the wonderful and fun people that he was able to work with. He said, "work never seemed like work because I enjoyed it so much and that was because of the people." He also shared that the highlight of his career was the mergers between Alliance, Weber, and SummitOne Credit Unions.

Burrell has provided Wasatch Peaks and our members with great service and friendship throughout his time with the credit union and we wish him well in his retirement.

Wasatch Peaks' 90th Anniversary

Wasatch Peaks Credit Union is excited to celebrate our 90-year anniversary with our members throughout 2020.

Founded in 1930 by employees of both the U.S. Postal Mail Terminal and the U.S. Forest Service, Ogden Government Employees Credit Union was the beginning of the credit union's history. The Wasatch Peaks history is filled with mergers of smaller credit unions that each brought their own strengths in volunteers, staff, and membership. However, the most recent merger was a strategic partnership of choice that is unique among credit unions.

Wasatch Peaks Federal Credit Union is the result of the mergers between Alliance Federal Credit Union, Weber Credit Union, and SummitOne Federal Credit Union. After approval by the NCUA and a majority vote by credit union membership, Alliance and Weber were merged as Wasatch Peaks Credit Union on July 1, 2011 and SummitOne Credit Union was merged on July 1, 2013.

Over the years, the credit unions have been chartered by both the state and federal regulators. Now, Wasatch Peaks Credit Union is a federally chartered credit union. All those who live, work, worship, or attend school in Weber, Davis, and Morgan Counties are eligible for membership. The three credit unions combined have seven branch locations, over 33,000 members, and more than $345 million in assets.

As Wasatch Peaks Credit Union continues to grow, we remember our humble beginnings and are committed to serving all our member's financial needs.
