Greg Washburn—Business Dev Manager
Nancy Wren—Compliance Officer

Supervisory Committee Report

It is my privilege to submit the Wasatch Peaks Credit Union's Annual Supervisory Committee Report. The Supervisory Committee provides many hours of volunteer service and allows the credit union to function properly. We work in conjunction with the internal auditing staff, as well as outside certified public accountants, to conduct various tests to make certain that policies and procedures are followed at the branch level and credit union wide.

I am pleased to report that the Wasatch Peaks Credit Union is in compliance with all federal, state, and local credit union regulations.

The Supervisory Committee would like to commend the Board of Directors, our management team, and staff members for ensuring the strength and security of the Wasatch Peaks Credit Union.

Ross Moore Supervisory Committee Chair

Nat Members Are Saying...

Board Chair Report

reetings to all of our wonderful credit union members! 2019 has come and gone and we are off to a great start to 2020. We also are celebrating our 90th year for Wasatch Peaks Credit Union.

It's my pleasure to share with each of you that 2019 was a year of achieving goals, reaching new milestones, and meeting the needs of you, our valued members. At the close of the year, we experienced the retirement of our past President/CEO, Blake Burrell.

The new year started out with us hitting the ground running with the promotion of our past Chief Financial Officer and Executive Vice President to our new President/CEO, Jeff Shaw. We are excited for Jeff, who brings much wisdom and knowledge to this position. We, as a Board of Directors, feel very confident in his leadership and abilities.

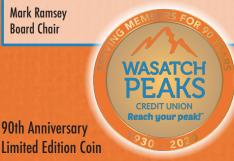

This past year was very successful for Wasatch Peaks in so many ways. Nearly every goal that was set by the wonderful staff was not only met, but surpassed. The board felt that many of these lofty goals were going to be a stretch to reach and achieve. However, this outstanding group of dedicated employees worked extremely hard to help each of you to be assured knowing that we are taking good care of all of your financial needs. I invite and encourage each of you to come out to one of our branches to seek the assistance of any of our dedicated staff.

Each year finds us needing and wanting to provide all of you as members with the latest and greatest in new technology to aid you in taking care of your daily banking needs. This technology needs to be user friendly and easy to navigate. We are on the cusp of getting ready to release a new update to our website. While it's going to look very familiar to you, you will also find that it contains some updates and additional tools to help you with meeting your needs.

Our dedicated Board of Directors and Supervisory Committee all volunteer their time to oversee the credit union and to insure that the credit union stays within its mandated rules and by laws and still work hard to provide you our valued members with quality service.

As I close, 2020 is going to be a growing and exciting year for Wasatch Peaks. Keep your hands and feet inside and get ready for the ride. New great things are going to be happening soon that will provide all of you with more opportunities. Stay tuned.

Mark Ramsey **Board Chair**

President 1080 T

inety years is a long time. We're here today celebrating our credit union's 90th birthday. In 1930, the United States was in the throes of the Great Depression. Between 1929 and 1933, the stock market lost almost 90% of its value. Around 11,000 banks failed during the Great Depression,

leaving many with no savings. In 1933, unemployment was around 25%. This economically challenging time spawned many new credit unions, as people lost confidence in the US banking system, and placed their financial lives into their own hands.

Our credit union's humble beginnings started on March 6, 1930, when employees of both the U.S. Postal Mail Terminal and the U.S. Forest Service founded Ogden Government Employees Credit Union that was renamed Alliance Credit Union in 1995. Weber Credit Union was created in 1956 by educators in the Weber School District and was originally named Weber Education Association Credit Union. SummitOne Credit Union started in 1954 as McKay-Dee Credit Union. Many smaller credit unions merged with these three over the years including: Ogden Board of Realtors, Cream of Weber, Rocky Mountain, GSL, Utah Peavey Employees, Ogden Clinic, and Browning Employees Credit Unions. We have a rich heritage here at Wasatch Peaks. We owe a debt of gratitude to the thousands of volunteers, members, and employees who have made us what we are today.

We strive each day to carry on the founding principle of credit unions ... People Helping People. At Wasatch Peaks, we improve the lives of our members with innovating products and services, convenient branch and ATM locations, lower fees and loan rates, and higher savings rates. We have tremendously dedicated volunteers and employees, who always have our members' best interests in mind. This year, we will break ground on our newest branch in Plain City, giving us eight branches in Weber and Morgan Counties. We will also be doubling the size of our call center to provide better service to members calling into the credit union. We will continue to invest in powerful electronic financial tools to provide our members.

As you can see from our financial statements, 2018 and 2019 were very good years for the credit union. Our net income for the two years was \$4.37 million and \$3.81 million, respectively. We have \$308 million of member deposits on hand and nearly \$300 million of loans to members on our books. Our membership has grown to over 33,000, while our assets have almost reached \$350 million. Our net worth, which is a measure of our safety and soundness, is just shy of \$40 million or 11.72% of assets. In our 90-year history, we have never been more financially safe and sound.

I want to express my appreciation to our employees and volunteers who have worked so hard to make this night possible. Finally, I want to thank all of you, our members, for the loyalty and support over all these years!

Jeff Shaw President/CEO
