The financial statements have been prepared by management in accordance with the basis of accounting in note 1 to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for private enterprises, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on our judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, we consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained in our audit is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Diocesan Pastoral Centre of the Bishop of Victoria, Corporation Sole as at December 31, 2016, and its results of operations and its cash flows for the year then ended in accordance with the basis of accounting in note 1 to the financial statements.

Other Matter

Without modifying our opinion, we draw attention to note 1 to the financial statements, which describes the basis of accounting and the defined entity as reported upon in these financial statements. The financial statements are prepared for reporting to the Bishop and to lenders. As a result, the financial statements may not be suitable for other purposes.

DIOCESAN PASTORAL CENTRE OF THE BISHOP OF VICTORIA, CORPORATION SOLE

Notes to Financial Statements

Year ended December 31, 2016

Diocesan Pastoral Centre of the Bishop of Victoria, Corporation Sole (the "Entity") was incorporated by a special act of the legislature and was established for the advancement of Roman Catholic religious worship, instruction and ministry on Vancouver Island.

The Corporation Sole is registered with Canada Revenue Agency as a charitable organization and, accordingly, is not subject to income tax. The Bishop of Victoria, through a Finance Committee, administers the Diocese of Victoria (the "Diocese"), which encompasses the Pastoral Centre, the parishes and other affiliates. As indicated in note 1(a) below, these financial statements reflect only a portion of the assets, liabilities and operations of the Bishop of Victoria, Corporation Sole.

1. Significant accounting policies:

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations except that the individual parishes and missions, St. Joseph's Hospital, St. Patrick's Parish Housing Corporation and the Island Catholic Schools, controlled entities, have not been fully consolidated nor disclosed. The financial statements are prepared for purposes of reporting specified operations to the Bishop of the Diocese of Victoria and to lenders on the specified operating activities. As a result, the financial statements may not be suitable for other purposes.

(a) Defined entity:

The Corporation Sole comprises a number of diverse operations and ownership or control of a number of related entities.

The Corporation Sole includes:

- The Diocesan Pastoral Centre
- The 40 parishes and missions of the Diocese
- St. Joseph's Hospital (the "Hospital")

The Corporation Sole wholly owns and/or has control over:

- St. Patrick's Parish Housing Corporation
- Island Catholic Schools

For purposes of these financial statements, the defined entity reflected in these financial statements consists only of the Diocesan Pastoral Centre and does not include the other entities described above. This defined entity for reporting purposes in these financial statements is referred to as the "Pastoral Centre".

The financial statements of the Hospital, Island Catholic Schools and St. Patrick's Parish Housing Corporation are subject to separate audit or review engagements.

Notes to Financial Statements (continued)

Year ended December 31, 2016

1. Significant accounting policies (continued):

(b) Capital assets:

Capital assets are stated at cost less accumulated amortization. Land and buildings acquired prior to January 1, 2011 are recorded at deemed cost, being fair value at January 1, 2011, the transition date to Canadian accounting standards for not-for-profit organizations. Amortization is provided using the straight line method and the following annual rates:

Asset	Rate
Buildings	25 and 50 years
Buildings under life lease	60 years
Furniture and equipment	10 years
Computers	3 years

(c) Cash and cash equivalents:

Cash and cash equivalents include cash on hand and short term deposits which are highly liquid with original maturities of less than three months at the date of acquisition. These financial assets are convertible to known amounts of cash and are subject to an insignificant risk of changes in value.

(d) Revenue recognition:

The Pastoral Centre follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Endowment contributions are recognized as direct increases in net assets.

Restricted investment income is recognized as revenue in the year in which the related expenses are incurred. Unrestricted investment income is recognized as revenue when earned.

The Pastoral Centre assesses the parishes for the administration of the Pastoral Centre. These and all other revenue items are recorded on an accrual basis.

Notes to Financial Statements (continued)

Year ended December 31, 2016

1. Significant accounting policies (continued):

(e) Use of estimates:

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the year. Actual results could differ from those estimates.

(f) Financial instruments:

Financial instruments are recorded at fair value on initial recognition. Investments that are quoted in an active market are subsequently measured at fair value. All other financial instruments are subsequently recorded at cost or amortized cost, unless management has elected to carry the instruments at fair value. The Pastoral Centre has elected to carry all investments at fair value.

Transaction costs incurred on the acquisition of financial instruments measured subsequently at fair value are expensed as incurred. All other financial instruments are adjusted by transaction costs incurred on acquisition and financing costs, which are amortized using straight-line method.

Financial assets are assessed for impairment on an annual basis at the end of the fiscal year if there are indicators of impairment. If there is an indicator of impairment, the Pastoral Centre determines if there is a significant adverse change in the expected amount or timing of future cash flows from the financial asset. If there is a significant adverse change in the expected cash flows, the carrying value of the financial asset is reduced to the highest of the present value of the expected cash flows, the amount that could be realized from selling the financial asset or the amount the Pastoral Centre expects to realize by exercising its right to any collateral. If events and circumstances reverse in a future period, an impairment loss will be reversed to the extent of the improvement, not exceeding the initial carrying value.

1. Significant accounting policies (continued):

(g) Allocation of expenses:

The Pastoral Centre engages in program and fundraising activities. The costs of each activity include the costs of personnel and other expenses that are directly related to the function.

The Pastoral Centre also incurs and attributes overhead and general support expenses that are common to the administration of the organization and each of its activities. The allocation of overhead is based on the relative space each program uses of the Pastoral Centre. The allocation of general support expenses is based on the program's proportionate share of total expenses.

2. Loans receivable:

The loan to St. Patrick's Parish is long-term, bears interest at prime plus 0.5% per annum, and there are no set terms of repayment. The loan was repaid in full February 29, 2016.

3. Investments:

Investments are recorded at fair value.
