"We have found Taxback International a thoroughly professional and competent organisation. In particular, we have valued their flexibility in dealing with the specific requirements in our industry and our intercompany and partner transactions."

### **Jota Sport said:**

"Last year was the first time Jota Sport used Taxback International to assist with our multi country Euro VAT reclaim. They proved to be highly efficient and knowledgeable in this field."

# **Motopark Academy said:**

"Thanks to our good collaboration with Taxback International the procedure of VAT—recovery in our company has considerably improved. The time to refunding became shorter and with less effort for our employees. As well due to the collaboration with Taxback International we have received a lot better rate of VAT—recovery than before. We are favourably impressed about the professionalism and promptitude of the Taxback International—team and can recommend their services to other companies."

# Capsicum Motorsport Limited t/a Carlin said:

"Taxback International have offered us an incredibly professional and thorough service that has been essential in our VAT recovery process. Their in-depth and specialist knowledge in our industry has made the process straight forward and has helped us take advantage of the full amount of VAT recoverable to us as a company. We have been very impressed with their ability to take information away and process it in a timely manner with minimum disruption or addition to our daily work load and would not hesitate in continuing to use their services."

## **Arden International Motorsport said:**

"Having recently completed our first year with Taxback International, I am pleasantly surprised to find such a professional and competent organisation and would not hesitate to recommend them."
