LONDON, UK – Flame Tree Publishing (<http://www.flametrepublishing.com>) has updated their trading website to now process pre-orders for selected titles.

Already supplying a superb selection of books to retailers and online outlets worldwide, this upgrade to the trading website ensures Flame Tree Publishing's customers can receive flagship titles as soon as they become available.

Flame Tree Publishing's collection of highly illustrated titles covers a range of subjects on art, music, and lifestyle, with deluxe fiction anthologies available in September 2015. These gothic fantasy short story collections bring together classic authors and new writers, publishing many new voices for the first time. These gorgeous anthologies are the first titles to benefit from the new pre-order feature and can be viewed here: <http://flametr.com/GothicFantasy>.
