Steelcase® Flex Collection

Steelcase

Empowering Teams

The Steelcase Flex Collection empowers teams to create spaces that can be rearranged on demand, creating environments teams and individuals need to do their best work. The collection is designed for spontaneity – making it easy to shift between different daily activities – from a brainstorm to a workshop, or from a stand-up to a sprint review.

CREATE SPACES ON DEMAND

Steelcase Flex empowers teams to create spaces and environments that are just right for personal preferences and project needs. With little effort, Steelcase Flex can be adapted and reconfigured on demand by the team.

SHOW THE FLOW

Making work visual drives clarity and allows team members to stay up to date on rapidly developing projects. Steelcase Flex provides ample opportunities for teams to create, share and move their work wherever they go.

JUST RIGHT FOR ANY TEAM

Inspired by the diverse activities and flexibility required by teams using design thinking and agile practices, Steelcase Flex gives all kinds of teams the control they need to adapt their space at any given moment. Whether it's big changes or small tweaks to the team's space, Steelcase Flex can move at the same pace as the work they do.

SUPPORTS MULTIPLE WORK MODES

From collaboration to individual focus work to a social gathering, Steelcase Flex elements can create just the right environment as work modes change throughout the day and people move from activity to activity. Steelcase Flex meets the needs of the team without losing sight of the individual.

Dynamic Team Neighborhoods

Steelcase Flex creates dynamic team neighborhoods for the high-performing, modern workplace. By providing teams with all the essentials to adapt their space as needed, keep their work visible and shape team identity, Steelcase Flex supports the changing activities and behaviors of hyper-collaborative teams.

Designed for Mobility

The Steelcase Flex Height-Adjustable Desk is designed to move as quickly as the day's activities. It's stable, yet mobile, and comes standard with rollers that allow for easy movement. Push it close to a teammate to pair up for collaborative work, or move it away to a quiet nook for some individual focus time. The height-adjustable desk moves with you and your work, wherever you need to go.

WELLBEING

When you are working in fast-paced, hyper-collaborative conditions, wellbeing is more important than ever. The Steelcase Flex Height-Adjustable Desk is designed to support movement and a variety of postures by providing a variety of worksurface heights that encourage a more health-conscious environment.

ONE-CORD-OUT

One-cord-out integrated technology allows you to plug in one power strip with up to nine outlets underneath the surface. With just one-cord-out, it's easy to unplug and move when you are on the go. A simple and clean cable tray under the worksurface keeps all of your cords hidden and in one place.

PRIVACY OPTIONS

On-desk curved screens allow you to position them for privacy or modesty preferences, and with either single or dual use. Screens clip on to magnet connectors making it easy to shift between different modes as your work and personal needs change.

PERFORMANCE

The worksurface can hold up to two full-size monitors, while a powerful dual-motor mechanism allows for a 75 kg weight capacity.

Steelcase Flex Collection

The Steelcase Flex Collection is a family of integrated products that work well on their own, but was designed with clever and thoughtful details that allow the entire collection to work best together to create different kinds of team spaces.

SUSTAINABILITY

DESIGNING FOR THE ENVIRONMENT REQUIRES INNOVATIVE THINKING AND SOLUTIONS.

At its heart, sustainability at Steelcase is about people. It's about creating and supporting the economic, environmental and social conditions that allow people and communities to reach their full potential.

Research and insights direct our path. It's not only about creating goods, it's about creating good. It's not only about creating value, it's about living our values. It's not just about reducing our footprint, it's about expanding our reach. It's about creating lasting and meaningful change to enable the long-term wellbeing of current and future generations.

Innovative products and solutions result. In the development of our products, we work to consider each stage of the life cycle: from materials extraction, production, transport, use and reuse, until the end of its life. We demonstrate performance through third-party verified certifications and voluntary product declarations.

Steelcase's sustainability promises, actions, and results are communicated in an annual Corporate Sustainability Report.
