Mango personal workspace solution by Boss Design

## + Mango

Boss Design

Mango is a new personal workspace solution created with headspace in mind. Striking the perfect balance between privacy and ergonomics, Mango allows its user to comfortably escape distractions for extended periods of time without the need to leave the room.

Mango is a personal workspace with an acoustic privacy screen and multi positional writing tablet for quiet and private working. Arm shelves and power options provide additional work surfaces and connectivity. Dual density foams support the user and there is storage underneath the seat area.

An upholstered return screen can be added to the front of the unit to further enhance user privacy.
