

How Do I Use My Phone to Deposit a Check?

It's easy. We'll show you how.

STEP
1

Download

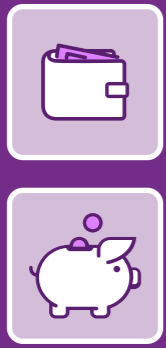

Download your bank's mobile app.

STEP
2

Login

Log into your mobile app and select deposit check.

STEP
3

Select

Select the account you want to deposit the funds into and enter the amount.

STEP
4

Sign

Endorse back of your check, like you normally would. Write the words "For Mobile Deposit" on the back of the check.

STEP
5

Capture

Use your phone's camera to take a picture of the front of the check, then the back of the check. *(Make sure to include all four corners of your check.)*

STEP
6

Confirm

Continue and confirm deposit. That's it!

With mobile banking, you can pay bills, transfer money, and monitor account activity from anywhere—it's 24/7 banking at your fingertips!
