

Neo Guest Transmitter

## Neo Guest Transmitter

The Neo Guest Transmitter is our most economical guest paging transmitter. It's perfect for restaurants and businesses that need a simple space-saving solution.

The Neo Guest Transmitter has up to 1 mile of site range with unique ID to prevent signal interference.

### Additional Features

The Neo Guest Transmitter is perfect for smaller restaurants and businesses looking to enhance their guests' experience.

#### UHF Technology

Up to 1 mile site range with unique ID to prevent signal interference.

#### Durable

Built with high-quality materials for maximum durability and industry leading performance.

#### Bright LED Display

Easy-to-read LED backlit digital display. Quick buttons make repeated communications a breeze.

#### Smart Alerts

Out-of-Range and Search ensures guest contact and minimizes pager loss.

#### Manager, Staff & Guest Pagers

Supports the full line of JTECH pagers.
