Pager and Charger

Additional Features

The GuestCall CommPass Pager is extremely durable and features voice, flash, beep and vibrate alert options.

UHF Technology

Up to 2-mile range with a unique ID to prevent signal interference.

User-Replaceable Batteries

Replace your own batteries to reduce downtime and cost.

Flexible Integration

Third-party POS and KDS system integration capability.

Restaurant Tough

Built with high-quality materials for maximum durability and industry leading performance.

Smart Alerts

Out-of-Range and Search ensures guest contact and minimizes pager loss.

Optional Manager Pagers

Managers can choose between alpha text, numeric or rugged rechargeable pagers.
