

GuestCall
Coaster Pagers & Coaster Charger

GuestCall® Coaster Pager

With our GuestCall Paging System, your staff can instantly notify guests with a flash, beep or vibration when their table is ready. Easily stay in contact, speed table turns and increase revenue as guests enjoy the freedom to visit the bar or nearby areas while they wait.

The stackable GuestCall coaster charger fully charges up to 15 pagers in 2 hours. Put your own branded label on this coaster. Maximize uptime with user replaceable batteries.

Additional Features

The GuestCall Coaster Pager is extremely flexible and integrates with other paging systems and software applications.

UHF Technology

Up to 2-mile range with unique ID to prevent signal interference.

User-Replaceable Batteries

Replace your own batteries to reduce downtime and cost.

Space-Saving Solution

Stackable charging unit fully charges up to 15 pagers in 2 hours. Ideal for small spaces.

Durable for High Volume Use

Built with high-quality materials for maximum durability and industry leading performance.

Smart Alerts

Out-of-Range and Search ensures guest contact and minimizes pager loss.

Promote Your Brand

Easily advertise on your pager with a custom label.
