

Neo Guest Transmitter

Neo Guest Transmitter

The Neo Guest Transmitter is our most economical guest paging transmitter. It's perfect for restaurants and businesses that need a simple space-saving solution.

The Neo Guest Transmitter has up to 1 mile direct line-of-site range with unique ID to prevent signal interference.

Additional Features

The Neo Guest Transmitter is perfect for smaller restaurants and businesses looking to enhance their guests' experience.

UHF Technology

Up to 1-mile range with unique ID to prevent signal interference.

Durable

Built with high-quality materials for maximum durability and industry leading performance.

Bright LED Display

Easy-to-read LED backlit digital display. Quick buttons make repeated communications a breeze.

Smart Alerts

Out-of-Range and Search ensures guest contact and minimizes pager loss.

Manager, Staff & Guest Pagers

Supports the full line of JTECH pagers.
