

StaffCall IQ® Pager
StaffCall IQ Pager & Charger

StaffCall IQ® Pager

The StaffCall IQ Pager is designed for busy staff who rely on instant communication. Whether you're part of a team or you manage the team, our StaffCall IQ Pager will keep you on track.

Additional Features

The StaffCall IQ Pager is extremely flexible and integrates with other paging systems and software applications.

UHF Technology

Up to 2-mile range with unique ID to prevent signal interference.

User-Replaceable Batteries

Replace your own batteries to reduce downtime and cost.

Flexible Integration

Third-party POS and KDS system integration capability.

Durable for High Volume Use

Built with high-quality materials for maximum durability and industry leading performance.

Smart Alerts

Out-of-Range and Search ensure guest contact and minimize pager loss.

Optional Manager Pagers

Managers can choose between alpha text, numeric or rugged rechargeable pagers.
