Steps Employers Can Take

Winning in the digital age demands faster, more targeted approaches than ever before. To keep pace in today's Skills Revolution an effective talent strategy should comprise a mix of four key elements:

1 BUILD

Invest in learning and development to grow your talent pipeline

2 BUY

Go to external market to find the best talent that cannot be built in-house in the timeframe required

4 BRIDGE

Help people move on and move up to new roles inside or outside the organization

3 BORROW

Cultivate communities of talent outside the organization, including part-time, freelance, contract and temporary workers to complement existing skills
