### Accomplishments

- At multiple firms, created and maintained accounting, finance, tax, treasury, payroll, purchasing and human resource functions.
  - Established successful financial, banking, and cash management relationships.
  - Built and maintained long-range plans and cash forecasts to support business decisions, merger and acquisition decisions, fundraising efforts, and board reporting.
  - Created consolidated financial statements and analyzed financial operations for multiple operating entities.
- Participated in buy-side and sell-side acquisition transactions. Performed due diligence of prospective target acquisition companies and once acquired, integrated the companies into a consolidated accounting and finance structure for separate and consolidated reporting.
- At Air Filters Northwest, optimized freight contracts to lower shipping costs by more than 30%.
- Successfully raised \$5M in equity from friends and family, angel, and venture capital investors for a startup technology service provider.
- At C. Stein, led and managed selection and implementation of financial and voice-based picking and inventory management systems.
- Sponsored, led, and managed teams that successfully implemented IT systems including SAP, Intacct, Profitool, ACCPAC, QuickBooks Enterprise, ADP, Ceridian, Xactly, and Global Beverage.

### Education and Certifications

- Portland Business Journal, CFO of the Year. Award winner in 2011 and semi-finalist in 2010
- Bachelor of Science in Accounting, Minors in Computer Science and Math, Oregon State University
- Certified Public Accountant, Oregon (inactive)
