

Doctor House Calls & Enterprise Office Clinics

8am to 8pm, 7 days a week

Comprehensive urgent, primary and preventive care

8am to 8pm, 365 days a year

At your home or office

1. Download the free Heal app, visit heal.com, or call (844) 644-4325

2. Create your patient profile

3. Book a doctor to your door or schedule a clinic for your office

FORTUNE

"This isn't magic or even the health care of a distant future. It's a modern-day twist on the doctor's house call provided by Heal."

THE WALL STREET JOURNAL.

"The Heal app sent an excellent Stanford-trained doctor to my door to check out an injury in under an hour."

The Washington Post

"The fact that Heal appointments can easily fit into [patients'] lives is key."
