

Are You a Superhero?

We're Hiring

MST Therapist

As an MST therapist, you will interact with families, youth, community members, schools and other staff implementing the MST treatment model. You will be part of a diverse team of therapists and a supervisor, with whom you will participate in weekly group supervision and team consultation. You are open to feedback and supervision as well as resilient and motivated. Your friends would describe you as empathetic, warm, intelligent, creative and a superhero.

Job Requirements:

Qualified applicant will have a Masters degree in counseling, social work or related field, and be license eligible (minimum LSW or LPC). Applicant must also have a valid drivers license.
