Project Transform

Character Reference Information

Participants of Project Transform live in Mexico and will participate on work sites, serve in our food program, in the Amor Store, and at camp. They will also interact with people of all ages, denominations, and backgrounds. They work long hours in a very primitive setting on a daily basis. They live in close community with the rest of the Project Transform team for the entire program. Team building is an important part of this project's difficult and challenging venture.

Because of this it is important for Amor to gather information about each applicant that will help us determine how each person will respond in such an environment. As an applicant we require you to provide us with three character references. Two must be ministry related: someone who has had an opportunity to see you grow spiritually. The other reference must be work related: a supervisor or manager. If you do not have work experience, a coach, teacher, club leader, or supervisor over volunteer work will be acceptable. **Character references may not be family members.** Please fill out the reference information and mail this form back to the Amor office with your application. We will not process your application without references.
