PRESS RELEASE

NexTec Group Expands Cloud ERP Offering

National business technology provider, NexTec Group, adds Acumatica Cloud ERP to expanding portfolio of products.

Seattle, WA June 22, 2015: With a growing need for mid-market cloud ERP solutions, NexTec Group is proud to announce the addition of Acumatica Cloud ERP to their expanding portfolio of ERP products available to their clients.

"As an ERP provider, it's our job to research and provide the best solutions for our clients." said Eric Frank, President and co-founder of NexTec Group. "Adding cloud-based Acumatica ERP to our portfolio allows us to provide more freedom of choice and flexibility for our clients due to its strong financial, distribution, CRM, and project accounting modules."

Jon Roskill, CEO of Acumatica, said: "We are excited to welcome NexTec Group into our Acumatica community. NexTec is a successful and well-regarded company with all the qualities we look for in a partner. We look forward to helping them grow their practice with our award-winning Cloud ERP product."

NexTec Group is a leading provider of technology for business, delivering comprehensive ERP, CRM and BI solutions targeted to the unique needs of our clients. With more than 20 years of experience, NexTec Group works to address the industry challenges faced by food and beverage companies, manufacturers, pharmaceuticals, nutraceuticals, professional service agencies, government organizations, healthcare facilities, non-profits, financial service firms and oilfield services.

Acumatica is a leading provider of cloud business management software that empowers small and mid-sized businesses to unlock their potential and drive growth. Built on the world's best cloud and mobile technology and a unique customer-centric licensing model, Acumatica delivers a suite of fully-integrated applications, powered by a robust and flexible platform.
