# The Promise of Protection®

Graham Medical's innovative, single-use products are designed to offer protection, modesty and high-level performance.

For healthcare settings of all types—from physicians' offices and clinics to surgical suites and emergency rooms—Graham Medical is your source for quality, cost-effective products that ensure protection and make caring for patients simple and convenient.

The Graham Medical **Mission:** To reliably provide quality disposable products that healthcare providers want in order to deliver the best care in the safest environment.

## PRODUCT CATEGORIZATION

Products are organized into three segments to help determine the best solution for the specific need.

### ECONOMY

Designed for the more budget-conscious facility while offering convenience and reliability, including products formerly found in the Apex line.

### STANDARD

The high quality expected from Graham Medical with tried-and-true products developed to fit a wide variety of professional applications and performance demands.

### PREMIUM

The preferred choice when enhanced patient comfort and superior performance are critical. Includes nonwoven patient apparel for linen-like comfort.

Activity Bears®

Animal Parade

Tiny Tracks®

Did You Know?

According to researchers, over 75% of hospital linen loss occurs via theft, unintentional loss or misuse. Single-use patient apparel reduces linen costs, water usage and cross contamination. It's a win-win!

Seascape®

Wildflower®

**Capes** provide coverage and accessibility. Layers of tissue and/or poly are bonded into one layer for maximum softness and absorbency. Available in white, solid colors and comforting designs.

61234	SnugFit® Fitted Sheet - ER Mattress	Nonwoven	Blue	40" x 89"	25/CS
65232	FlexDrape®	Nonwoven	Navy	40" x 84"	50/CS

**2-Ply and 3-Ply Tissue Sheets** have multiple layers of tissue bonded together into one layer for maximum softness and absorbency.

**Tissue/Poly Sheets** are absorbent and protective. The tissue layer absorbs the fluids while the poly layer offers a fluid barrier, providing protection and added strength.

**FlexDrapes®** are made of a super soft, linen-like nonwoven material and can be used as a top or bottom sheet. They are fluid-resistant, warm, comfortable, lightweight and breathable.

**SnugFit® Sheets** are specialty-fitted stretcher sheets that protect and ensure patient comfort. See page 20 for more options.

**PILLOWS & PILLOWCASES**

Code	Item	Material	Color	Size	Pack
50349	FlexAir® Inflatable Pillow	Nonwoven/Poly	White	14.5" x 10.5"	50/CS

**BEDDING KITS**

Code	Item	Components	Component Codes	Pack
50983	InstaKit® Bedding Kit	Snugfit® Fitted Sheet, Flat Sheet, Pillowcase, Absorbent Underpad	44547, 329, 360, 50984	25/CS
65381	InstaKit® Bedding Kit	Flat Sheet, Flat Sheet, Pillowcase	323, 324, 47256	25/CS

Every **InstaKit® Bedding Kit** is latex-free and packaged in a clear, heat-sealed bag.

Graham Medical's exceptionally high-quality sheets, pillows, pillow cases and blankets are essential for all your medical facility needs. Our bedding is made using quality materials designed for the patient's ultimate comfort. Single-use products greatly reduce the risk of cross-contamination and provide peace of mind for both the patient and provider.

**MegaMover® – The Original**

Compact, cost-effective and portable, this transport unit is ideal for transporting or rescuing patients from areas inaccessible to stretchers.

- Transfer up to 1,000 lbs.
- 14 handles
- Available with standard or PowerGrips®

**MegaMover® Plus**

Compact, cost-effective and portable, this transport unit is ideal for transporting or rescuing patients from areas inaccessible to stretchers. Accepts standard backboards for immobilization.

- Transfer up to 1,000 lbs.
- 14 handles
- Backboard pocket
- Available with standard or PowerGrips®
- Gray color provides decreased visibility where security is vital

**MegaMover® 350i Heavy-Duty Barrier Sheet**

Made of ultra-durable nonwoven/poly, this flat sheet acts as a fluid barrier.

- Transfer up to 350 lbs.
- Use under patient to protect equipment
- Use over patient for cover

**MegaMover® Transport Chair**

Made strong and durable, this single-use transport chair is ideal for use in limited space and when patients need to be in a seated position.

- Transfer up to 350 lbs.
- 8 handles
- Weighs only 10 oz.
- Compact, rolls to the size of a water bottle

**MegaMover® Tactical - NEW**

Lightweight yet durable, ideal for use in Tactical Active Shooter events.

- Weighs 1.3 lbs., easy to carry
- Transfer up to 500 lbs.
- 1 or 2 responders
- Patient can be loaded from either direction
- Strap with buckle secures patient
- Straps allow for dragging from either end
- Gray color provides decreased visibility where security is vital

**MegaMover® Disaster Response - NEW**

Portable, lightweight and durable. Ideal for Disaster Evacuation events.

- Weighs 2 lbs., easy to carry
- Transfer up to 500 lbs.
- 10 handles
- 2 to 8 responders
- Printed with “Head” and “Foot” placement guides to improve efficiency under pressure
- Under arm strap with buckle secures patient

## SPA SUPPLIES

**Nonwoven Waxing Strips** are specially designed to meet the demands of waxing services. Strips are soft against clients' skin but won't separate during use or leave behind messy threads like other waxing strips.

**Birchwood Applicators** have a precise taper and are perfect for smoothly applying eyebrow wax and makeup.

Durable, versatile and comfortable, our line of single-use products has all the features medical spa clients expect.
