

BUILD HOMES. BUILD HOPE.
VOLUNTARY TAX CONTRIBUTION FUND

Support Habitat for Humanity California through your 2017 California tax return. Help build a world where everyone has a decent place to live.

Every year, Habitat for Humanity California builds homes for people like Maria and her family. A U.S. Navy veteran and a single mother to Briana, 17, and Bryan, 15, Maria struggled to find a job and an affordable home after she served our country. But now with a steady job as a typist clerk, Maria has eagerly worked alongside Habitat for Humanity staff and volunteers to help build a home and life in California, knowing this is a life-changing journey for her family.

Habitat for Humanity California builds, renovates or repairs on average 600 homes per year in the state – and you can help build homes too with your tax return contribution!

Contribute \$1 or more through the Voluntary Contribution section of your 2017 California tax return. Contributions are tax deductible.

Build Homes. Build Hope.

YES! I want to help build homes for families and veterans.

I will contribute \$_____ to the Habitat for Humanity Voluntary Tax Contribution Fund on my 2017 California State Tax Return.

Voluntary contributions to the Habitat for Humanity Voluntary Tax Contribution Fund [California Individual Tax Return form 540, Section 110 (437)] are distributed to Habitat for Humanity affiliates statewide by Habitat for Humanity California.

KEEP THIS WITH YOUR 2017 TAX DOCUMENTS OR GIVE IT TO YOUR ACCOUNTANT
