

Sites to Check for Debarred Vendors on Texas Comptroller's Website

Debarred Vendors List on the Texas Comptroller's website, these are the Texas Debarred Vendors:

Here is a link with directions on how to search SAM for federal level debarred vendors. You have to search at the federal level by vendor name, DUNS number, or Cage code.

Here is the best link I have found so far, it gives suspension and debarment by state. Just click on the state and it brings up their site with the debarred vendors.
