

STUDENTS

As a student I will be an active partner in my own education by:

1. Be on time and present for school and class each day.
2. Ask for help when needed.
3. Have a positive attitude about my learning and show respect for other students, teachers, and myself
4. Set goals for daily study time each day.
5. Ask for and receive help when needed.

**Students, Teachers, Parents –
Working together for success!**

AT HOME

Parents and guardians are vital to the success of our students and schools. To continue to ensure the success of our students BMS parents commit to:

1. Keep open communication with teachers and your students regarding academic progress (email, phone, and conferences)
2. Helping students by providing an area and time to complete homework and study.
3. Being a partner with BMS in celebrating your child's successes.

SCHOOL GOALS

As your child's school we will encourage and support your child's education by:

1. Ensuring all students meet the readiness standards for their grade level.
2. Communicating with parents to provide an accurate assessment of their child's learning (skyward family access, school messenger, email and phone).
3. Preparing them for the social and academic rigor of the next grade level.
4. Giving them opportunities to grow in areas other than traditional academic areas.
5. Encouraging all students to think and write at a higher level.

WHAT IS A SCHOOL-PARENT COMPACT?

The school-parent compact **outlines how parents, school staff, and students will share the responsibility for improved student academic achievement**, and the way in which the school and parents will build and develop a partnership to help children grow both socially and academically. Meetings are held annually to review the compact and make changes based on student needs.

Parents are welcome to contribute comments at any time.

Compact Signatures:

Please sign and date below to acknowledge that you have read, received, and agree to the 2019-2020 School-Parent Compact.
