

**Burkburnett ISD is working to provide opportunities for parents and community members to help in the education of our students. It is through the collaborative efforts of parents, community members, and district staff that our students can be most successful. To ensure the safety of our students, we require all volunteers to complete a background check. The Volunteer Form which includes the consent to conduct a background check can be picked up at any campus within BISD.**

	<b>STAFF</b>	<b>SCHOOL</b>	<b>STUDENTS</b>
<b>Campus</b>	<b>Community can help our staff by:</b>	<b>Community can help our schools by:</b>	<b>Community can help our students by:</b>
