Service agreement must be secured by a major credit card that will be charged when each service is complete. A receipt will be emailed upon completion. Pricing is labor only. Chemicals and/or additional materials are billed at time of service. Fun Center Pools & Spas will only maintain hot tubs with water care programs and supplies sold by Fun Center Pools & Spas. Home owner will need to supply access to area, supplies and water. Services are for standard water care, neglected, excessive algae water may require additional labor fee.

Fun Center Pools & Spas agrees to provide the service requested above. This service is subject to current availability. The customer hereby acknowledges that they have received, read, understands, and agree to the details listed and request the above services. This agreement can be cancelled by either party at any time.

I hereby authorize payment for service with the credit card listed above.
