MANUFACTURER'S CERTIFICATE OF COMPLIANCE

Date: 2019 RE: ReliableCure SOG® Wet Curing Blankets

To Whom It May Concern:

Reliable Concrete Accessories certifies that ReliableCure SOG® will perform as stated when used in accordance with the technical data instructions and installation guidelines contained within the full submittal documents available for download on our website.*

ReliableCure SOG® wet curing blankets are manufactured by *Reliable Concrete Accessories* for commercial concrete use. ReliableCure SOG® wet curing blankets comply with the ASTM C -171 designation requirements for Durability, Moisture Retention and Sun Reflectance. They meet or exceed specifications for ASTM C 171-03 Sheet Materials for Curing Concrete. ReliableCure SOG® blankets meet all requirements under ACI Sections: 301-16 Specifications for Structural Concrete, 302.1R-15, Guide to Concrete Floors/Slab Construction and 308R-16 Guide to External Curing of Concrete.
