

POWERFRAMER™ FRAMING NAILER

Powerful.

Sinks every nail. Every time.

Powerful enough to nail LVL headers and beams.

Gets the job done the first time,
no more manual nailing.

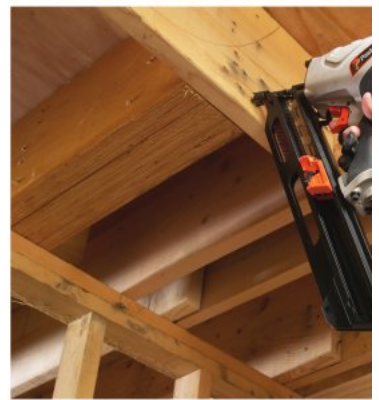

Light Weight.

Less arm fatigue. Work faster.

Compact design for more balance and control.

Easy on the wrist!

Durable.

Reliable performance. Minimum service.

New rugged design performs after a 2-story drop!

Guaranteed service-free for one year!
