The PIARC International Workshop on 'Risk Management in Traffic and Road Operations' will be hosted by The World Road Association – PIARC and organized by the PIARC Technical Committee TC1.5 'Risk Management'.

This workshop is part of PIARC Program of International Workshops that aim to increase the awareness of the results of PIARC's work in Risk Management.

This workshop will bring together representatives of governments and related organisations as well as industry experts and researchers from many countries to share their knowledge and expertise, exchange ideas and experiences, and to study a wide range of issues particularly related to risk management in traffic and road operations.

Workshop Overview

8.30am – 3pm

- Arrival and Welcome
- Presentations & Themed Panel Discussion
- Morning Tea
- Presentations & Themed Panel Discussion
- Lunch
- Presentations & Panel Discussion
- Workshop wrap up

A detailed program will be sent to registrants by mid-late Feb 2015

Optional

3.30pm – 10pm

- Technical Tour – Port River Expressway and the Superway
- Buffet Dinner at the Semaphore Palais

Buses for the technical tour and dinner will leave and return to the Playford, North Terrace. Drop offs to other locations within the city perimeter on the return trip may be made by prior arrangement only.

Cost

\$150 plus GST for workshop (incl. morning tea, lunch and afternoon tea)

\$100 plus GST for the technical tour and buffet dinner and drinks (incl. bus transport to and from the Playford, North Terrace)
