

Areas of Opportunity

Thorek Memorial Hospital
2015 PRC-MCHC Community Health Needs Assessment

Professional Research Consultants, Inc.

Summary of Findings

Significant Health Needs of the Community

The following “areas of opportunity” represent the significant health needs of the community, based on the information gathered through this Community Health Needs Assessment and the guidelines set forth in Healthy People 2020. From these data, opportunities for health improvement exist in the area with regard to the following health issues (see also the summary tables presented in the following section).

Areas of Opportunity Identified Through This Assessment	
Access to Healthcare Services	<ul style="list-style-type: none"> • Barriers to Access <ul style="list-style-type: none"> ◦ Inconvenient Office Hours • Specific Source of Ongoing Medical Care [18+] • Specific Source of Ongoing Medical Care [65+]
Cancer	<ul style="list-style-type: none"> • Cancer Deaths <ul style="list-style-type: none"> ◦ Including Prostate Cancer, Female Breast Cancer, Colorectal Cancer Deaths • Cancer Incidence <ul style="list-style-type: none"> ◦ Including Prostate Cancer, Colorectal Cancer, Cervical Cancer Incidence • Female Breast Cancer Screening • Skin Cancer Prevalence
Chronic Kidney Disease	<ul style="list-style-type: none"> • Kidney Disease Deaths
Diabetes	<ul style="list-style-type: none"> • Prevalence of Borderline/Pre-Diabetes
Heart Disease & Stroke	<ul style="list-style-type: none"> • Heart Disease Deaths • Heart Disease Prevalence • High Blood Pressure Prevalence
HIV/AIDS	<ul style="list-style-type: none"> • HIV Prevalence
Immunization & Infectious Diseases	<ul style="list-style-type: none"> • Pneumonia/Influenza Deaths • Flu Vaccination [65+]
Infant Health & Family Planning	<ul style="list-style-type: none"> • Low-Weight Births • Infant Mortality
Injury & Violence	<ul style="list-style-type: none"> • Safety Seat/Seat Belt Usage [Children] • Firearm-Related Deaths • Homicide Deaths • Violent Crime Rate • Violent Crime Experience
Mental Health	<ul style="list-style-type: none"> • “Fair/Poor” Mental Health • Diagnosed Depression • Stress • Suicide Deaths

continued next page

Areas of Opportunity (continued)	
Nutrition, Physical Activity & Weight	<ul style="list-style-type: none"> • Trying to Lose Weight [Overweight Adults] • Obesity [Children]
Oral Health	<ul style="list-style-type: none"> • Children's Dental Care
Potentially Disabling Conditions	<ul style="list-style-type: none"> • Activity Limitations • Vision Screening
Sexually Transmitted Diseases	<ul style="list-style-type: none"> • Gonorrhea Incidence • Chlamydia Incidence • Multiple Sexual Partners
Substance Abuse	<ul style="list-style-type: none"> • Overall Alcohol Use • Binge Drinking • Seeking Help for Alcohol/Drug Issues
Tobacco Use	<ul style="list-style-type: none"> • Environmental Tobacco Smoke Exposure at Home <ul style="list-style-type: none"> ○ Including Among Households With Children ○ Including Among Non-Smokers
