

Furniture Style Guide

Spring 2018

Download

Welcome to the Spring 2018 issue of our Furniture Style Guide featuring trends from IMM Cologne and beyond.

Maximalism is here which means everything is in as long as it's bold, beautiful and decadently comfortable.

Velvets & busy botanicals feature heavily, geometric patterns, Gatsby style thin metal frames and decadent comfort abound. Terrazzo table tops are also on the rise.

For more information on furniture, fabric and projects included in this edition visit our website or contact us on 020 8494 135.

Croix

Zebra Pop

Geometric Patterns & Terrazzo

Geometric patterns, terrazzo table tops and innovations in recycled materials are helping to put the max in maximalism.
