

Before Application

Q1: Who is eligible for the SGInnovate Summation Programme?

You should:

- Be a current Undergraduate, Master’s or PhD student with an Institute of Higher Learning (IHL) or have graduated from an IHL less than one year ago.
- Be able to showcase relevant skills and knowledge for the project that you apply for, for example:
 - Academic courses in IHLs
 - Online courses (e.g. Coursera, Udemy)
 - Projects (e.g. Github, Stackoverflow)
 - Working experience (e.g. internships, part-time, freelance)
 - Awards and competitions (e.g. Hackathons, Datathons)

Please refer to [our website](#) for the eligibility criteria for the respective projects.

Q2: Do all organisations offer the same projects under the Summation Programme?

No. Each organisation will provide the scope and specify the projects’ duration.

Q3: What is the duration of the Summation Programme?

The programme duration will be within 3 – 6 months, depending on the organisation and project.

Minimally, the first three months will be a full-time arrangement. You are strongly encouraged to commit for the entire programme duration. If you intend to extend your attachment period, you can arrange with the organisation separately.

Q4: When will the Summation Programme start?

You will start in December 2019; exact dates will be arranged between the organisation and the student.

Q5: Can I use this programme as a credit-bearing internship?

You will have to check with your school on that arrangement as it is not decided by SGInnovate.

Q6: What is the stipend amount that I will be receiving?

The total package amount varies based on your education level:

Education Level	Summation Award (SGD)	Minimum Stipend (SGD)	Monthly Total (SGD)
Undergraduate or fresh graduate	2,000	1,000	3,000
Master’s student or graduate [^]	3,000	1,000	4,000
PhD’s student or graduate [^]	4,000	2,000	6,000

[^] Note: You must have less than one year of work experience

Q7: When is the application deadline?

Applications have been extended till 22 Sept 2019. Please apply [here](#). No applications will be accepted after the deadline.

Q8: Can I amend my application after I had submitted it?

The system allows you to edit your submission. However, only your last application submitted before the deadline will be considered.

Selection Process

Q9: How will I be matched to the project/organisation?

Your application will be evaluated against the respective criteria of each project that you have identified in your preference selection.

Q10: What are the technical skills required for this apprenticeship programme?

Programming-related projects will typically require proficiency in at least one programming language. The ability to showcase relevant knowledge and experience related to the project is more critical. Please refer [here](#) to see the eligibility criteria for the respective projects.

Q11: What is the shortlisting process?

There are two stages of the shortlisting phase:

**Stage 1: Technical assessments**

There will be **several technical assessments** that you will be taking based on the projects you are shortlisted for.

Stage 2: Interview

Shortlisted candidates who successfully pass technical assessments will be invited to attend interview sessions with organisations.

Q12: How and when will I know the outcome of my application?

Candidates will be informed of their application status via email, within two weeks after applications have closed. Shortlisted candidates will receive additional instructions.

Post Selection

Q13: What will happen after I am selected?

You will sign a contract with SGInnovate and the organisation before you start your apprenticeship.

Q14: When and how will I be receiving my stipend?

Your monthly stipend will be paid out along with the organisation's monthly payroll.

Q15: I am a Singaporean or Singaporean PR, will I be paid CPF?

CPF is typically payable for non-credit bearing internships. Your school may offer exemptions to CPF contribution; you will need to contact your school's administrative office for more details.

Q16: What will happen upon the completion of the Summation Programme?

We will award you with a Certificate of Participation. Any working agreement (for example, part-time work) beyond the stipulated duration will be arranged directly between the student and the organisation. SGInnovate will not be involved.

Summation Programme Run 4 Timeline

Date	Event
5 August – 22 September 2019	Open for student applications
23 – 29 September 2019	Technical assessments
7 October – 23 October 2019	Interview
21 October – 25 October 2019	Results of offer
