

# Application to Defer the Commencement of Study

## Important Information

This form applies to all students who seek to defer the commencement of their course of study at Macleay College. It should be read in conjunction with the following policies which can be found at the Enrolment Resources section of the college website and myHandbook section Moodle via <http://mymacleay.edu.au/>.

- Deferral, Suspension or Cancellation of Enrolment Policy
- International Student Transfer Policy
- Tuition Fee Refund Policies
- Grievance & Appeals Policies

International students on a student visa should be aware that deferring the commencement of their studies may affect their student visa. Any changes to the duration of the course of study as a result of the voluntary suspension of enrolment will be reported to the Department Immigration and Border Protection (DIBP) via PRISMS in accordance with the National Code 2007. To check the conditions of a student visa please visit the DIBP website at <http://www.immi.gov.au/> or call 131 881.

The maximum period for which deferment will be granted is twelve months, unless there are compelling circumstances to extend this timeframe such as for compulsory overseas military service.

## Grounds for Approval of the Application Request

For international students, Macleay College will only grant approval for the deferral of enrolment to a later commencement date on the grounds of compassionate or compelling circumstances, such as serious illness or injury or exceptional personal hardship, in accordance with Standard 13.2 of the National Code 2007.

## The Application Process

A student wishing to defer the commencement of their study at Macleay must submit this 'Application to Defer the Commencement of Study' form and, for international students, attach documentary evidence to show cause for compassionate and compelling circumstances for example, but not limited to:

- Medical certificate from a registered medical practitioner
- Statement of support from a counsellor or psychologist
- Certified personal statement of exceptional hardship
- Activation orders for compulsory overseas military service

The above supporting documentation should be attached to the completed form as either copies certified by a Justice of the Peace or presented as originals to the Office of the Registrar who will copy and witness the documents as true copies, returning the originals to the student. Macleay will only consider an application complete and eligible for assessment if all sections have been completed, the form signed and the above documentation attached.

Macleay will assess and respond to all completed applications within ten working days. The applicant will be advised of the decision in writing and the application and decision thereof will be kept on the student file. A longer time may be required during peak admission and enrolment times but the process will not exceed fifteen working days.

If successful in their application, Macleay will hold the student's place in their course of study but it is the student's responsibility to observe the enrolment process in line with the new dates and any conditions as stipulated in any written notification confirming deferment will be granted.

## Lodging the Application Form

You can lodge your completed application ie. including all supporting documentation to the Registrar by one of the following means:

In person: Level 2, 28 Foveaux Street, Surry Hills (Sydney Campus) or Level 1, 55 Swanston Street, Melbourne (Melbourne Campus) if presenting supporting documentation as originals to be certified as copies by Macleay College

By email: [registrar@macleay.edu.au](mailto:registrar@macleay.edu.au) if presenting supporting documentation as copies certified by a Justice of the Peace

Your completed application should be received by the Office of Registrar as soon as a student is aware they are unable to commence study but no later than ten working days prior to the commencing trimester Census Date. Applications to defer received after Census Date will not be accepted and students will be directed to submit an 'Application for Leave of Absence' form to suspend their studies.

## Assessment & Notification of Outcome

On receipt of your completed application, Macleay will assess the request in accordance with the college *Deferral, Suspension or Cancellation of Enrolment Policy* and advise you of the outcome in writing within ten working days (or fifteen working days in peak admission and enrolment times).

If the application is approved, the student will receive an Approval of Deferral Letter. It is the responsibility of the student to sign and return the letter acknowledging their acceptance of the new commencement date and any subsequent changes to their enrolment. If the granting of deferral affects the course duration for an international student, the change will be reported to DIBP via PRISMS in accordance with Standard 9 of the National Code 2007.

If the application is denied, the student will be issued a Refusal of Deferral Letter advising the reasons for refusal and their right to appeal the decision. Students wishing to make an appeal should refer to the college *Grievance & Appeals Policy*.

The application, assessment decision and outcomes will be saved to the student file for record.
